Dear Parents,

What a pleasure to be back in school today with as many people who could get here safely and hear the happy sound of children's chatter this lunchtime.

Every so many years, the weather presents this challenge and we have to decide under Health and Safety whether we can open. Instinct is always to try and it was frustrating that the conditions yesterday prevented the school from being open. Mr Gilmour and Ms Spencer have been here before 6.30 each morning to assess the situation and provide information for me and the staff have indicated their challenges. Other schools decisions impact on us, because several teachers have children at other local schools that have closed and yesterday we had no heat with an airlock in the boiler which Mr Spencer has resolved.

Thank you to every one for your patience. We appreciate the pressures on parents when education and sometimes just the childcare aspect makes your lives challenging, but thanks especially for the messages of support we have received, recording some of the quality life moments that you have shared.

As I said, it is always our aim to be open, we have a great team here, we hope to continue to open next week.

Best wishes

L Wiskin

Girls football

On Friday the 23rd of February 10 girls played in a girls football match against St Ann's. Everyone did so well and the score was 4-0 to St Ann's. They all played so brilliantly and we were so close to a goal multiple times.

The team photographer Lily said it was a tough game because St Anne's has some really good players.
