

1000 CLUB

**A great way to support our school with
a chance to win a cash prize every month**

The Broad Chalke Primary School 1000 Club has raised thousands of pounds over the years to help pay for all the extra things which make the school so special by contributing to the cost of new equipment and helping to fund events at the School

**For only £1 per month you have the chance of winning a cash prize every month
as well as improving your child's school experience.**

If you are not already a member, please take this opportunity to support the school.
If you are already a member why don't you increase your chances of winning by
buying another number!

More members/numbers mean more money for the School
and a larger prize fund each month (which is a proportion of the takings).

Please complete the form below enclosing **£12 per number** (payment details below).

The draw is made around the 15th of each month and winners are notified by post.
