

### Reading

Please try to read at home for at least ten minutes daily and record this in your reading record. In Beech class we have a reading incentive - each time you read on five occasions you move your name to the next hive! This continues in multiples of five and when you reach thirty you receive a prize out of the prize box! ☺

### The 1960s!

This half term we will be looking the swinging 60s! As part of this topic your child will be looking at the key events of this amazing decade as well as creating their own Andy Warhol inspired artwork! They will be learning about the life of Martin Luther King and creating their own tie die Woodstock festival t shirts (please could you supply a spare white t shirt that you don't mind the children getting creative with!). We will also be having a 1960's dress up day at the end of the topic so the children can celebrate this decade of amazing fashion!

### English

This half term we will be looking at a range of fiction and non-fiction texts. We will be working on using a variety of punctuation, including apostrophes to show possession and commas in lists. We will also be using expanded noun phrases to add extra detail to our writing and contrasting conjunctions (unlike, but, however, although).

### Spellings

Every week you will be given up to ten spellings to practise at home. These will be given out on a Friday. These will usually follow a general rule/spelling pattern so make sure you always look out for this ☺

### Maths

This half term your child will be looking at the following areas of maths:

- Time
- Fractions
- Money

Please practise your 2, 3 and 5 times tables.

Please check dojo regularly for class messages!

We are looking forward to a fantastic half term. Thank you Mrs Gilbert and Miss Bowden☺
