Healthy Week

Thanks to everyone who helped to make our Healthy Week so successful.

The children have learnt all about healthy eating, looking after their teeth, and keeping fit.

Safer Internet Day 2018

There are many links on our website, Facebook page and information is also available in Nursery to help you to keep your children safe when they are using the Internet. Please ask if you would like to use a computer in Nursery to find out more information or if you would like copies of any useful documents.

Our New Mud Kitchen!

Thanks to Leah and the Dads of children who have donated wood and their own time to create our fantastic new mud kitchen!

We can't wait to start making our mud cakes and leaf soup!

We love to hear about your children's achievements and learning at home. Please use your child's Celebration Book to share this information or the following email address to send information / photos

Names in clothes

Please write your child's name in their Nursery Uniform so that it can be returned to you if it is lost.

Please be aware that if you choose to collect your child before the end of their Nursery session at either 11.30am or 3.30pm they will be missing their Key Worker time. This time is used to teach the children new skills and help them to evaluate their learning from the day. If your child stays in nursery for a full day their Key Worker time in an afternoon will focus on teaching them different skills to those they have learnt in the morning.

If you do need to collect early please arrive before 11.15am or 3.15pm.
