ONLINE SAFEGUARDING RESOURCES

Thank you to all your responses to the e-Safety Survey – results will be compiled and compared to those from the children's survey and findings will be circulated.

Please try and join us at the meeting **next Monday – 5th March 2018** where any issues and concerns can be addressed.

The following website gives age specific guidance to help you to find out more about what your children might be doing online and give you some simple, practical and easy advice on the steps you can take as a parent to keep them as safe as possible: www.internetmatters.org

SNOW!

Just to remind you of procedures in the unlikely event that we have to close the school.

School will inform the local radio stations as well as updating the website and sending you a text message.

If you haven't received a text and there is no message on the website then school is open.

Please check these routes first – the telephone line needs to be kept open for emergencies.

Please also ensure that your child comes in appropriate outerwear/gloves/hat/wellies etc – a change of socks and shoes is always a good idea!
