

CHARTER FOR CHILDREN WITH DISABILITIES

The South Bank Academy Trust Board and all its schools promise to:

1. Listen carefully to the views of disabled children and their parents when planning and reviewing educational provision.
2. Produce clear and concise Educational Health & Care Plans, or other relevant plans, that are easy to understand and interpret.
3. Make sure that all our staff are well-trained and understand the importance of inclusion, so that every individual feels welcomed and well-supported.
4. Adapt and refine lessons, activities and extra-curricular clubs so that every individual can access a broad and balanced curriculum, delivered in a way that suits their needs.
5. Ensure that personalised short breaks are available to pupils with physical and medical disabilities, where appropriate.
6. Ensure that equipment and resources are adapted to meet individual needs, where appropriate.
7. Provide additional 1-1 adult assistance where this is required by an Education & Health Care Plan.
8. Ensure effective transition into school, onto subsequent schools, and into the
