STAY AND PLAY NEWSLETTER

WINTER 2017

STAY AND PLAY- DCOS, NAS & FAMILY LINK TOGETHER

Thanks to all parents and children for giving us permission to share pictures of you and your fabulous work within this newsletter

11-1pm. @ Eva Armsby Family Centre building, 6 Glamis Road, Shadwell. E1W 3EG

What we need from you....

Please supervise children at ALL times, if you are struggling please bring a family member or friend to help you

Sessions start at 11am. This is when our doors open for you all. Try not to bring children before this time as we hate making you wait while we set up

Snack time will be between 12 -12.20. Water is always available by reception. Snacks are fruit, crackers & cold drinks. You are also welcome to bring snacks and drinks of your own

Tidy-up time is 12.45-1pm, please help us by doing the tidying with your child– learning great skills for being at home!

Children are free to run in the garden but not inside the building please

Please remind children to keep 'hands to themselves' and be mindful of the smaller children.

We listened....

We opened weekly over the Christmas holiday. Thank you all so much for coming to join us.

Our Stay & Play Film Premiere

We held our Stay & Play Film premiere in December and were so glad that so many of you could come out and have fun with us!

It was great to see so many of your views on film and to see the children having a great time at the premiere.

What the kids taught us....

Styling it out at the premiere!

How to dress like a Princess!

Need support....

...just ask us.

We have Psychologists at every session. If you would like to speak for 20+ mins about an aspect of your child's behaviour that you are finding tricky, and to talk through your response to it. Then just let us know.

The staff....

We have a lovely new member of the DCOS service. Abdo who is a Clinical Psychology trainee from UCL and will be joining us for all our Stay & Play sessions.

Feel free to say hello if you see him around the building!
