

Early Years Foundation Stage Newsletter – Spring 2 - 2018

Hi

Our children this half term are learning about spring. The children will be planting seeds and watching them grow into beautiful; sunflowers. They will have the opportunity to water these daily. We will also be looking at bugs outside in the exploring garden and looking at baby animals. The children will be participating in activities for Easter and will have the opportunity to go on an Easter egg hunt.

Some stories you may want to look at-

The very hungry caterpillar

The very lazy ladybird

Jaspers beanstalk

As part of our topic –
Spring - We will be
looking at

Baby animals/ bugs

Easter

Life cycles

Planting and
growing

Activities to try at home to support our topic

- Look at different bug e.g. a bug hunt
- Look and smell different flowers in the environment
- Action songs and rhymes
- Looking at pictures and books
- Farm/park visits

Please don't forget to send us any photos of your children having fun and developing their skills at earlyyears@hattonspecialschool.co.uk or via the home school book. Thank you

Bug hunts

In this Half Term we will be outside going on bug hunts around the school. We will be planting seeds and watching them grow. The children will have responsibilities in watering and caring for these plants/flowers. We will be taking lovely photographs for your child's profiles. Due to it still being quite muddy, if possible please provide your children with wellington boots if you have not already done so all clearly labelled. Thank you
