Lo: To find out about and discuss environmental issues that are of concern globally and locally

I have discovered that fairtrade provide better equipment and transport to take the nuts from the forest and where they need to be. Also fairtrade provide a fair pay for what the gatherers do because it is a dangerous job. I also discovered that fairtrade can provide housing in the towns because they might not be able to afford a house.

Did You Know

- You find 20-30 seeds in 1 peel.
- Nut trees have the circumference of 16.5 metres
