

Mr Attkins' class have been learning about keeping healthy.

They learned about Mrs Moncrieff's experiences of the Commonwealth Games.

All the children enjoyed trying on her medal!

Year one and two have also been learning about subtraction. Isaac and his friends mastered how to subtract using a number line.

During this half term all the children have been learning dance with West Lancashire Sports. The boys in Upper Key Stage two took the routines very seriously and had lots of fun too.

## Stars of the Week

Nursery – **Enzo** for trying really hard to join in the phonic activities

Reception: **Samuel** for following all the instructions in P.E. and getting changed quickly and independently
