Headteacher: Mr David Moore

Newsletter No.51: 9th March 2018

Dear Parents and Friends

After all the excitement of last week with the snow things have returned to a more normal routine now thankfully. Well done to everyone who managed to get their children in on the Friday when we reopened. The decision to close the school on Wednesday and Thursday was not taken lightly but the conditions of the roads and the advice we received from the police meant we had no real option unfortunately. Hopefully that is winter done now and we can look forward to spring with some warmer weather and longer days – fingers crossed!

Bright Stars

Our Bright Stars team are coming to the end of their 8 week enterprise initiative with a final big push tonight and on Saturday.

After school today is a movie night with hot dogs, popcorn and the film Boss Baby which a lot of people have signed up for so that's a sure fire winner. Tomorrow the team will be at the Fox and Hounds washing cars whilst over the road in the church community rooms there will be a bric-a-brac sale. The team have worked really hard and are well on course for making their predicted target, full details of how they have done will follow in the next newsletter but hopefully you will be able to support them by coming along tomorrow and either getting your car washed or finding some gem you've always wanted in the saleroom! The project has shown children that although good exam results are helpful even more important in life is hard work and staying committed to your goals and with that in mind it is hoped the full team can be there tomorrow whether it's from 11 to 3 or just for an hour or so. We appreciate your support in helping them see the final task completed.

World Book Day

World Book Day was an unfortunate victim of the snow on Thursday but knowing how much effort goes into putting together some of the children's fancy dress outfits for the day we rescheduled it for the Monday instead. It was a great success with the children sharing their favourite books and raising nearly £30 for charity.

Islam Assembly

The week after next we will have a special guest in school, Imran Kotwal from the Muslim learning service who is coming along to help us with our study of world religions and how we promote British Values. The children will be coming up with a list of questions to put to him on the day so get those thinking caps on!

First Aid Training Refresher

Another guest we have coming into school is Tony from the Red Cross who is doing a refresher afternoon on the First Aid course he delivered a year ago to the children – how much have they remembered? I'm sure all those of you who have been on first aid courses will know that a reminder every now and again is very useful!

Anyway lots to look forward to as we rush towards Easter. Hopefully we'll see you all tomorrow and there will be lots of sparkling cars driving around the village for at least a couple of days! Have a great weekend.

Best wishes
D Moore
