15th & 20th Parent consultation evenings
23rd Sport Relief
23rd Year 6 Concert 6pm

April

16th Term 5 starts
16th Rebooked swimming lesson Y2/Y4

Snowy Weather

We apologise for the lack of a Flyer last week, this was due to the weather and the shortened week. The children have come back to school this week full of stories about their experiences in the snow. It sounds as though they all enjoyed their time sledging and playing outside with their friends and families. Thank you for being alert to our online information regarding school closures and collecting your children so promptly on Thursday.

Film Night

The postponed Film Night will take place as soon as we can find a suitable date, we will let you know as soon as it has been decided.

World Book Day

Roald Dahl's Miss Trunchball made an appearance during Foxmoor's World Book Day assembly and gave her verdict on the wide variety of characters represented in front of her. Needless to say she was not pleased that so many children seemed to be enjoying themselves impersonating their favourite book characters. Luckily 'Little Miss Sunshine' (Mrs Hillman) saved the day and celebrated this fun occasion with the children. We appreciate the effort which went in to the costumes this year particularly as there was some doubt as to whether the children would actually get the chance to wear them.

Cross Country Races

Congratulations to all 9 runners who took part in the Stroud District races at a very muddy Stratford Park on Monday afternoon. Our team included Year 5 runners Jayden Hombrado, Jake Mercer, Alfie Cook, Alex Batterham and Aya Boot, Year 6 were represented by Sienna Rosewell, Billy Evans, Seb Hillman and Ben Batterham. This year's course was longer (approximately 2,200m) and much more challenging than in previous years; all our children did brilliantly to complete each race, many finishing with smiles upon their faces and mud everywhere else! Special mention must go to Sienna Rosewell who came in first in the Year 6 girls' race. Sienna, Ben Batterham and Aya Boot have been invited to take part in the County races being held on 10th March at King Edward's School, Cheltenham. Good Luck to them.

Lego Workshop

A Lego Workshop took place on Tuesday for Year 4 where the children were challenged to build a robot and then programme it to perform chosen activities. The children found getting the robot to play football and score a goal great fun. They worked in teams of three and all worked cooperatively within their team. Points were given for each challenge and the overall winners were Zac Corp, Darcey Wittke and Joe Ward. They will be given the opportunity to visit a local engineering company at a later date. This was a great team building day and well done to all of the children who worked so well.

Book People Book Fair

Parent consultation evenings take place next Thursday and the following Tuesday. We have chosen the Book People to run the Book Fair on these evenings for the first time. Please come and have a look while you are waiting for your appointment and let us know what you think of the book selections on offer.

Clubs

Science Club members have already received a letter informing parents that there will be no club for the next two weeks (13th and 20th March). **First Aid Club** will be cancelled for Thursday's parents' evening (15th) and **Netball** and **Girls Football** will also be cancelled on the following Tuesday (20th) for parents' evening. All after school clubs will take place during the last week of term apart from **Dance Club** (competition day) and **First Aid Club** (last day of term).
