5 March 2018

Dear Colleague

ADMISSIONS ARRANGEMENTS FOR SEPTEMBER 2019

The Executive has now determined the admission arrangements for Community and Voluntary Controlled schools for 2019 intake and the coordinated schemes.

By the statutory deadline of 15 March we will post these arrangements on www.lincolnshire.gov.uk/admissionsconsultation.

It is essential that Community and Voluntary Controlled schools link to the relevant page of the County Council website to avoid any possibility of separate documents posted on the school's website becoming out of date and invalid.

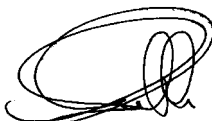

We have issued a press release so that parents know where to find the 2019 arrangements and how they can make objections to the Schools Adjudicator (OSA) by 15 May.

We would be grateful if you could draw parents' attention, for example through a newsletter, to the publication of the 2019 arrangements so that they may object if they wish to do so.

Governing Bodies of Community and Voluntary Controlled schools may object to OSA if the PAN for the school is lower than they wish.

If you have any questions on the above, please do not hesitate to contact me.

Yours sincerely

Steven Gamble
