Child Friendly Safeguarding Policy

What is safeguarding about?

At Shears Green Infant School all the adults think that your health, safety and welfare are very important. In our school we respect our children and help to protect their rights. We will help you to make good educational progress and we will teach you to recognise risks in different situations and how to protect yourself and stay safe.

How will we try to Safeguard Children?

We try to provide a safe environment for children to learn in.
We want to ensure that children remain safe, at home as well as at school.
We think it is important for our children to know where to get help if they are worried or unhappy about something.

Need to Talk?

You can talk to any adult in school. If something is worrying you, you can talk to one of the adults on the 'Circle of Friends' poster. (**Mrs Kotze, Mrs Harding, Mrs Holder, Mrs Gibson, Mrs Cash**)

Don't keep a secret if:

Someone is being unkind to you.

Someone is saying funny things to you that you don't like.

Someone is doing anything to you that makes you feel worried or upset.

You can tell a friend and go with your friend to tell an adult.

If you need to talk to someone when you are at home you can call Childline:
