

SCIENCE WEEK

26th February 2018

Dear Parent/Carers,

National Science week will commence on Monday 12th March. The whole school will be involved in this exciting week which involves lots of scientific opportunities, experiments and workshops.

We would like to invite parents and carers to share in some science fun on Wednesday 14th March from 6-7pm. You will have the opportunity to find out what the children have learnt during the week, as well as have a go at some exciting experiments.

This year we are asking parents to make a donation of £2.00 to go towards all of the exciting visits and resources we are having during science week.

Please note that this event can be purchased online using your School Gateway account.

Yours sincerely,

Jon Hood
Head Teacher
