

## Is your Local Authority looking to commission places for 'Social, Emotional and Mental Health' provision?

Our Wolverhampton schools offer specialist provision for children and young people with social, emotional and mental health needs.

The schools are unique in that a '**SEMH School**' and a '**Pupil Referral Unit (Short Stay School)**' share a single site. While they have their own governance arrangements, this does not stop them from sharing their wealth of knowledge and expertise, all within a unique, unmistakable and engaging urban forest campus, set along a very active Wildlife Centre, with good transport access.

The schools are able to offer a comprehensive package of both academic and pastoral support to meet the complex needs of young people who have 'Social, Emotional and Mental Health' needs.

We offer a broad and balanced curriculum to stimulate interest and enhance the learning of children. This includes:

- English, Maths & Science
- ASDAN
- Art
- Construction
- Animal Care
- Duke of Edinburgh
- Painting & Decorating
- Food Technology
- Forest Schools
- Humanities
- ICT
- Music
- Physical Education
- Motor Mechanics

Pupils enrol on GCSE or Vocational programmes as appropriate.
