

Chaplaincy Team Minutes - 19.01.18

Began with a prayer- Tyler led the prayers beginning with Hail Mary and asking everyone to think about any people without enough food.

Main discussion today was about CAFOD Family Fast Day

Discussed CAFOD and the work that they do and what the letters stand for

Mrs Johnson explained that the idea is that we each go without one meal and that the money that would have been spent on that meal is donated to CAFOD.

Samuel pointed out that this is difficult for little children so maybe KS2 could do it.

We discussed other ways we could raise money. Suggestions were as follows-
fill money boxes with any change lying around in the house, pockets, purses, money boxes
etc

Fund raiser similar to what we did for Alfie's memorial

Sponsored fasting for KS2 only

A fayre

sports event

Grow our own food in the polytunnel and sell it e.g. fruit kebabs
