Applicants will be informed in March of the governor's decision to offer their child a place or not.

If a child is transferring from another school, the Governors wish to emphasise that it is unlikely that a place will be available in school for any siblings of this child at the time of his / her entry. Parents / Carers are advised to check the current situation with the school.

NOTE: A separate application must be made for each child.

There is a right of appeal against a refusal to offer a place. The appeal is heard by the Appeal Committee, no member of which has any connection with the school. By law there is no right of appeal for refusal of a Nursery place.

An appeal, specifying the grounds on which it is based must be made in writing to the Clerk to the Governing Body. There is a time limit within which the appeal must be lodged. This will be stated in the letter of refusal.
