1. Barriers to future attainment (for pupils eligible for PP, including high ability)	
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	To maximise the attainment outcomes of the more able pupils
B.	Low ability readers
C.	Low ability in phonics
D.	Writing, well below national figure for EY group emerging.
E.	Low ability in maths
F.	Boys writing/fine motor skills
G.	Poor oral language skills

External barriers (issues which also require action outside school, such as low attendance rates)

H. Low attendance/Late registration for some pupil's eligible (target 96%) This reduces their school learning time and may cause them to fall behind on average.

2. Desired outcomes

Desired outcomes, How they will be measured and Success Criteria

A.	Match Early Years outcome to KS1 attainment – measured ½ termly at pupil progress meetings and end of year Teacher Assessments. Higher rates of progress across KS1 for high attaining pupils eligible for PP.
B.	To improve fluency and speed of reading, to reach expected standards at the end of KS1 Pupil Progress meetings to indicate expected progress consistently throughout year
C.	To enhance phonics progress, to reach expected standards at the end of Y1 -½ termly phonics assessment to indicate good progress
D.	To ensure emerging writers at least make expected at the end of year 1 measured by ½ termly Pupil Progress and Teacher Assessments to indicate good progress throughout current academic year
E.	To ensure emerging mathematicians make at least 'expected' at the end of year group, measured by ½ termly Pupil Progress and Teacher Assessments to indicate good progress throughout current academic year
F.	To ensure emerging writers at least make expected at the end of year group measured by ½ termly Pupil Progress and Teacher Assessments to indicate good progress throughout current academic year
G.	To improve fluency and speed of reading, to reach expected standards at the end of EYFS/KS1 Pupil Progress meetings to indicate expected progress consistently throughout year
H.	Introduce incentive and offer family support to reduce number of late registrations and/or absences to increase learning time to maximise progress in all areas. Attendance to be at 96% or higher

5. Additional detail

The school evaluated the impact on each eligible pupil at the end of the summer term 2017. Evaluation focussed on academic gains and how pupils' self-confidence has developed as a consequence of the intervention.

- The proportion of pupils that met the expected standard in phonics exceeded the national figure in year 1.
- The proportion of disadvantaged pupils that met the expected standard in phonics was above the national figure for other pupils in year 1.
- 100% of eligible pupils in Year 2 achieved good progress in Maths, Reading and Writing by end of Key Stage 1
- 100% of eligible pupils passed the Phonics Screening undertaken in June 2017
- Self confidence in eligible pupils, developed and increased as a consequence of the intervention undertaken
