

PE Premium Annual Report End of Financial Year

Whitehall Infant School
2016 - 2017

The PE and Sports Premium is designed to help primary schools improve the quality of the PE and Sports Activities we offer our pupils.

This report provides information about how the PE Premium has been spent at Whitehall Infant School and outlines our plans for using the PE Premium in the year ahead.

In this school, the PE premium will be used:

- To enhance provision at playtimes and lunchtimes so that pupils are able to be more active and engage in a wider range of physical activities
- To improve the quality and breadth of PE and sport provision
- To increase participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of
- To increase our communities' understanding of how to develop a healthy lifestyle

Pupils have opportunities to practice and develop gross motor skills and participate in a range of activities. Pupils are able to utilise skipping skills taught in skipping workshops.	£265.76
Use of SMSAs to lead specific active play activities at playtimes <ul style="list-style-type: none"> - Dancing - Football - Skipping - Basketball - Imagination playground - Trim Trail - Construction 	Children have the opportunity to participate in a range of activities to promote sports and fitness.	No allocated cost

Impact and Outcomes

Following building work undertaken as part of school expansion in 2014, the playground was identified as an area which needed to be developed as there were few opportunities for pupils to engage in sports and fitness activities due to the nature of the space. The school contributed additional funding and work commenced in 2015 to enhance the outside areas. This was highly successful and the trim trail in particular has proved very popular. Support staff lead specific play activities and ensure children are engaged and active.

Improving the quality and breadth of PE and sport provision

To provide after schools clubs in a range of activities	After school clubs: Gymnastics Football Tennis	Paid for by parents
---	---	---------------------

Impact and Outcomes

Over the lifetime of the PE premium, teachers have been engaged in CPD across a range of the PE curriculum. Teachers have a range of strategies to engage children in sports, develop teamwork and encourage pupils to develop specific skills. This is reflected in the PE schemes of work which have been updated in light of the training received.

Increase participation in PE and Sport so that pupils develop healthy and active lifestyles and reach the performance levels they are capable of

Action	Impact	Cost
To provide sports enrichment opportunities - Healthy schools ambassadors	Pupils participate in a range of sports and fitness activities led by PE specialists which motivate them to be healthy and active Pupils were given an understanding of the beginnings of the Olympic games through a theatre group performing 'Zeus Games'	Freshwater Theatre Group £525.00
To establish sports competitions - Superstars - Ministars	Award star system in place to create a competitive environment Medals to be awarded to each class after Super stars in Summer term	Medals and stickers £64.55

Impact and Outcomes

Pupils have reported to enjoy the activities that have been offered. For those attending clubs and workshops, teachers have commented on how pupils' confidence has developed through these activities and that this has transferred to other areas of learning. Dance and skipping in particular are now prominent activities at playtimes and lunchtimes. The theatre group was very interactive and gave the children an educational and enjoyable experience.

Increase our communities' understanding of how to develop a healthy lifestyle

Action	Impact	Cost
To improve personal understanding of Healthy Living	Increased understanding of Healthy Lifestyles	Healthy Week – no cost A-life £988 Healthy living poster prize £22.10
MEND family programme	Targeted families attended charity run ten week programme to promote healthy lifestyles	Staff time (no allocated cost)

Impact and Outcomes

All pupils have been involved in activities to develop a healthy lifestyle. A number of families engaged with family-oriented activities, including some families which were specifically targeted by school staff. Attendance at MEND was good and most families completed the entire 10 week programme. Children were enthusiastic and engaged in the activities which aimed to develop healthy lifestyles.

How do we intend to spend the PE Premium in 2017 - 2018?

- We will continue to promote exercise and healthy lifestyles and increase participation in sports and physical activity by offering pupils a range of health and fitness workshops, family workshops, lunchtime clubs and events throughout the year.
- This year, staff CPD will focus on dance teaching and learning which will include 'Funky Friday' lunchtime activity to get all the children moving and enjoying dance and an after school club which will be targeting our inactive children.
- We will look into a new PE scheme (REAL) to support teachers in their teaching of PE
