

Chair of Academy Committee Mr A Griffin

Executive Headteacher Mrs M Yates

Date adopted 27th February 2018

St Augustine's Catholic Academy is part of the All Saints Catholic Collegiate. The admissions authority for the school is the Board of Directors of the All Saints Catholic Collegiate who has responsibility for admissions to this school. The Board of Directors has delegated responsibility for the administration of the admissions process to the Academy Committee of St Augustine's Catholic Academy.

The admissions process for St Augustine's Catholic Academy is part of the Stoke-on-Trent Local Authority co-ordinated admissions scheme. To apply for a place at St Augustine's Catholic Academy in the normal admissions round, an application must be made using the school admission application process of the local authority in which you live naming St Augustine's Catholic Academy on the application form. Applications need to be made by 15th January 2019. **A Supplementary Information Form (SIF) must also be completed and returned directly to the school by the same date** (see Note 2).

All applications which are submitted on time will be considered at the same time, after the closing date.

You will be advised of the outcome of your application on 16th April 2019, or the next working day, by the local authority on behalf of the school.

Please note that throughout this policy, the term parent means all natural parents, any person who is not a parent but has parental responsibility for a child and any person who has care of a child.

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families. Wherever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its Board of Directors as part of the Catholic Church in accordance with its Articles of Association and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The Board of Directors has set its admission number at 26 pupils to be admitted to the Nursery class in the school year which begins in September 2019. (See Note 1 below)

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Board of Directors will give priority to children living closest to the school determined by the shortest distance (see Note 6 below)

For the purposes of this policy, parish boundaries are as shown on the Archdiocese of Birmingham parish boundary map which can be accessed at <http://www.birminghamdiocese.org.uk/parish-map/> and will be applied to the admission arrangements for the academic year 2019/2020.

Oversubscription Criteria

1. Baptised Catholic children (see Note 2 below) who are looked after or previously looked after (Note 3 below)
2. Baptised Catholic children (see Note 2 below) living in the parish of St Augustine of Canterbury, Meir who have a brother or sister (see Note 3 below) attending St Augustine's Catholic Academy at the time of admission.
3. Baptised Catholic children (see Note 2 below) living in the parish of St Augustine of Canterbury, Meir
4. Other Baptised Catholic children (see Note 2 below) who have a brother or sister (see Note 4 below) attending St Augustine's Catholic Academy at the time of admission.
5. Other Baptised Catholic children (see note 2 below).
6. Non-Catholic children who are looked after or previously looked after (see Note 3 below)
7. Children of staff currently employed at St Augustine's Catholic Academy (See note 5 below)
8. Non-Catholic children who have a brother or sister (see Note 4 below) attending St Augustine's Catholic Academy at the time of admission.
9. Non-Catholic children.

Note 1

Children with an Education, Health and Care (EHC) Plan that names the academy **MUST** be admitted. This will reduce the number of places available to other applicants. This is not an oversubscription criteria.

Note 2

In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic, see the Appendix. Those who face difficulties in producing written evidence of Catholic Baptism or Reception into the Church should contact their Parish Priest.

Parents making an application for a Catholic child should also complete a Supplementary Information Form (SIF) **which should be returned directly to the school**. If you do not provide the information required in the Supplementary Information Form and return it by the closing date, together with all supporting documentation, this is likely to affect the criteria that your child is placed into, which is likely to affect your child's chance of being offered a place at this school.

Note 3

A "looked after child" has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of the local authority or (b) being provided with accommodation by them in the exercise of their social services functions (eg children with foster parents) at the time of making the application to the school. A "previously looked after child" is a child who immediately moved on from that status after becoming subject to an adoption, child arrangement order or special guardianship order.

Note 4

For all applicants the definition of a brother or sister is:

- A brother or sister sharing the same parents
- A half-brother or half-sister, where two children share one common parent
- A step-brother or step-sister, where two children are related by a parents' marriage or where they are unrelated but their parents are living as partners.
- Adopted or fostered children

The children must be living permanently in the same household

Note 5

Reference to staff means full-time or part-time employed in the following roles:

- Teaching Staff
- All other staff employed at the Academy or in contract at the Academy who are not teachers.

The member of staff must have been employed at St Augustine's Catholic Academy for two or more years at the time of application for admission, or the member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage

Note 6

Distances are calculated on the basis of a straight line measurement from the child's home address point to the pedestrian gate of the school on Sandon Road. The home address point is used to determine the parish in which the property lies. The local authority uses a computerised system, which measures all distances in miles. Ordnance Survey supply the co-ordinates that are used to plot an applicant's home address.

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both, or all, of the children would cause the Published Admission Number for the child's year group to be

exceeded, the Local Authority, on behalf of the Board of Directors, will randomly select the child to be offered the final place.

The Board of Directors will, where possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admission number.

A child's home address is considered to be the permanent residence of a child. The address must be the child's only or main residence for the majority of the school week. Documentary evidence may be required.

If parents have shared responsibilities and a child lives with each for part of the week the home address will be the one at which the child is resident for the greatest part of the school week. Where this is equally shared, the home address will be the one used when applying for child benefit.

If a place in the school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to be withdrawn.

REPEAT APPLICATIONS

Any parent can apply for a place for their child at any time outside of the normal admissions round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the Board of Directors has accepted a second application from the parent because of a significant and material change in the circumstances of the parent, child or school, but have still refused admission.

LATE APPLICATIONS

Late applications will be dealt with in accordance with the Local Authority's co-ordinated admissions scheme. This states that late applications will be considered alongside those received by the closing date only in the event of one of the following:

1. The family moved into the area after the deadline for the receipt of applications;
2. Exceptional circumstances, stated in writing with evidence, prevented the form from arriving on time;
3. An error on the part of the school
4. The application is received before Own Admission Authority schools have ranked their application.

Such considerations will be the exception rather than the rule. Otherwise late applications will be considered at the end of the allocation process.

You are encouraged to ensure that your application is received on time.

WAITING LIST

In addition to their right to appeal, children who have not been offered a place at St Augustine's Catholic Academy but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list. The waiting list will be maintained until the last day of the summer term 2020 and will then be discarded.

A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on the waiting list could go up or down during the time that it is on the list. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Inclusion on the waiting list does not mean that a place will eventually become available. It may be that those already offered places may accept them, thereby filling all available places.

Children who are the subject of a direction by the Local Authority to admit or who are allocated to a school in accordance with the Fair Access Protocol take precedence over those on a waiting list.

APPLICATIONS OTHER THAN THE NORMAL INTAKE TO CLASS (IN-YEAR ADMISSIONS)

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are places available. Applications should be made to the school by contacting the School Secretary on 01781 319504 and all families approaching the school will be given an application form. Where there are places available but more applications than places, the published oversubscription criteria, as set out for the normal round of admissions, will be applied.

If there are no places available, the child will be added to the waiting list (see above). Parents will be advised of the outcome of their application in writing and, where the Board of Director's decision is to refuse their child a place, have the right to appeal to an independent appeal panel. There is no charge or cost related to the admission of a child to this school.

APPENDIX

DEFINITION OF A “BAPTISED CATHOLIC”

A “Baptised Catholic” is one who:

- Has been baptised into full communion (Cf. *Catechism of the Catholic Church, 837*) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. *Code of Canon Law, 877 & 878*).

Or

- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the *Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church*. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the *Rite of Reception* took place (Cf. *Rite of Christian Initiation, 399*).

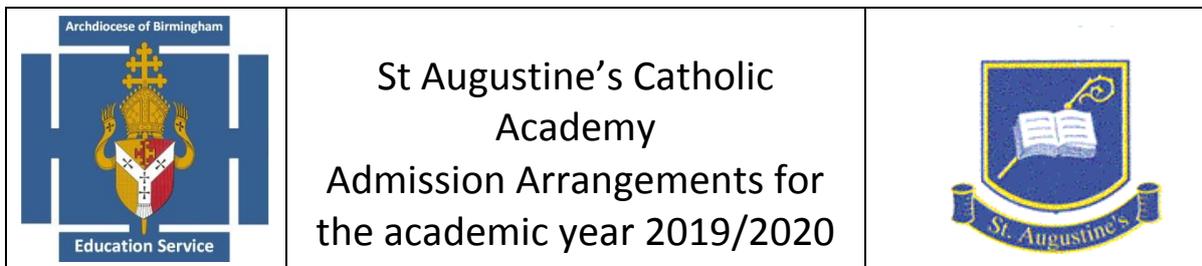

WRITTEN EVIDENCE OF BAPTISM

The Governing bodies of Catholic schools and Boards of Directors of Catholic Academies will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of Baptism or Reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception.

Those who would have difficulty obtaining written evidence of Catholic Baptism/Reception for a good reason, may still be considered as Baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept.

Governors and Boards of Directors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)
