HEAD'S VIEW

Another busy and happy week comes to an end. We all thoroughly enjoyed the 2J Class Assembly this afternoon with excellent speaking, singing and art work on display as they told us the story from St Mark's Gospel of Jesus calming the storm. The whole class were a lesson to us all about projecting our voices when performing! Once again, we had a fabulous turnout from our parents and families.

Mrs Wilkie and I had the pleasure of accompanying four children from Year 6 to Kitty's Café at the Parish Hall last week, rekindling what used to be called, I believe, the Luncheon Club. This is an opportunity for our older children to give something back to the community by serving lunches once a month. This term, members of our School Council are involved: Imogen, Elsie, Rhys, Daniel, Ella and Damarys. The first lunch was very successful and we were bowled over by the reception and generosity we received at Kitty's Café.

A former pupil St Mary's, Ameer Goodway, has been on work experience with us these last two weeks, and it has been a pleasure having her back to support the children and help in a multitude of ways. She is remembered very fondly by the staff who were here during her time, and we can see why. Our best wishes go with her for the future.

We welcome Lina Santos as a new MDSA, joining the team to make sure our children experience an enjoyable, healthy and secure lunchtime. Mrs Santos already knows us well as she has two children at the school, Patricia and Daniel.

A big 'thank you' to Mr Efstratiou for building the striking Lost Property boxes in our reception foyer a definite improvement on the tin tub we had before!

Finally, a big 'thank you' to all who took part in the Mothers' Day Raffle. This year we raised around £200 for Sister Mary's mission in Kenya. We hope all Mums and families enjoy their special day on Sunday. The 'Mother's Day Team' are very grateful to you all.

More photos and details to come in next week's newsletter.

CAR PARKING

Please be courteous, considerate and above all safe when parking at the beginning and the end of the day. There have been several near misses in the last few weeks, both in the car park and in the Lowden area at the back of the school.

LOST PROPERTY

Several parents have reported that their children have lost items of uniform, even though the items have name labels. It is very easy for a child to accidentally pick up someone else's belongings, especially after a P.E lesson. Please can you check your child's clothing and return any uniform that does not belong to you to the school office. Thank you.
