Dear Parents/Carers

**Important Driveway Safety Reminder**

The safety of children and other pedestrians on our school site is of paramount importance to us.

Recently we have observed drivers driving up and down our school driveway whilst children and other pedestrians are using the driveway in the morning and at the end of the school day. As you appreciate this is both dangerous and unacceptable and applies equally to cars, motor bikes and mopeds.

Please remember that the school gates are closed between 8.40am and 9.10am and again between 3.20pm and 3.50pm every school day, during which time all vehicular movements along the driveway are forbidden (except for mobility scooters). For this reason we ask everyone, especially those who drop off children at Kids' Club in the morning or come to afternoon events in school, to ensure they do not park in the school staff car park if they cannot guarantee leaving the school site before the gates close.

If this is not possible NO attempt must be made to drive cars, motor bikes or mopeds down the driveway until the gates are open again as doing so risks endangering the safety of children and other pedestrians using the driveway. In these circumstances all drivers, without exception, are expected to wait in the staff car park until the gates are opened.

Thank you for your understanding and compliance in this matter.

Yours sincerely

Mr R Orr  
Headteacher
