Predators workshop

Dear Parents/Carers,

On **Wednesday 18th April 2018**, Year 3 will be visited by 'Wild Science', 'the zoo that comes to you'. This is a wonderful opportunity for the children to find out about their new topic **Predators** and have a first-hand experience of animals. Each class will have the chance to meet various different predators. It will be a great start to an exciting term and topic. In literacy we will be writing our own adventure stories based on Akimbo and the Snake and this workshop will provide the children with the knowledge and experience to enhance their writing skills. Throughout Science they will learn even more about predators before bringing together everything they know to design their own ultimate predator.

The **cost** for this workshop is **£5.50**. **Please could you pay by Thursday 29th March 2018** through ParentPay so that we can confirm our booking and not miss out on this exciting opportunity. Unfortunately, if we do not receive payment from all the children we will have to cancel this wonderful experience.

Thank you for your support.

Kind regards,
The Year 3 Team
