Special Promotion

Dear Parent / Carer,

Hepworth & Hall Opticians have kindly offered a special promotion for parents and carers of pupils within The Wings' CE Trust. They are offering FREE eye tests (worth £28) for adults using the attached voucher. All you need to do is to choose one of the opticians detailed below, arrange for an eye test and present the voucher on arrival.

In addition to offering free eye tests for adults using the voucher, Hepworth & Hall will also donate £10 back to school for any glasses purchased as a result of the test. There will be no pressure to buy but any purchases made will have a direct benefit to school. This money will go towards subsidising school trips and visits for pupils.

It's worth noting that eye tests for children are already free so it may be worth going on a family visit to the opticians to make the most of this generous offer. If you would like any more information, or would like a further voucher, please ask at the school office.

Many thanks,

Miss L. Young
