

Dear parents and carers,

3 Day Pre Employment Training Programme

As part of our ongoing UCAN parent engagement scheme, we are very pleased to offer, through ProCo, a completely free 3 day course. Please see attached information leaflet.

With enough interest and commitment to complete the full 3 day course, the programme would be available to start after the Easter break.

It is completely FREE and will be held within your child's school. If you would like to sign up please be sure that you meet the criteria.

You must be.....

- Able to commit to attending the full 3 days of the programme.
- Eager to progress into work
- Not currently in education or employment (this includes zero hours contracts)

If you would like to be a part of this fantastic opportunity, learn essential employment skills, grow and take control of your future, please complete the attached slip and return to the school office by Monday 19th March 2018.

Together we can!
