

Easter Activity Afternoon

On Friday 23rd March we are inviting Parents to attend an Easter related event to celebrate the end of the term. Parents are invited to join in the fun from 1.15pm. Activities will include a presentation from 2D explaining what Easter is all about, and opportunities to participate with your child in craft and Easter related activities.

On the day there will be a great egg drop and an egg rolling competition.

For these competitions you will need:-

A Decorated Egg

Egg Rolling - a named hard boiled egg (it could be the one entered in the decorated egg competition but it is likely to end up smashed!)

Egg Drop - a hard boiled egg and protection to make the egg 'invincible' when it is dropped from a height.

Due to cost children will need to provide their own hard boiled eggs for these competitions and it is recommended that eggs are boiled for at least 15 minutes.

Prizes will also be given for the best decorated egg. Entries should be in by Thursday 22nd March and will be judged that afternoon after school.

At the end of the afternoon there will be an assembly where certificates will be presented for the term and prize winners will be announced.

We hope that you will be able to join us and look forward to seeing you on Friday.
