LEGO Robotics!

Calling all parents, carers and grandparents –
come and join us on this **FREE** fun taster session!

Make science come to life – designing,
investigating, modelling and computing!

Create your own Lego 'Milo', the
Mars Rover and then bring him
to life using the **LEGO Robotics**
app.

Help your child to develop their
STEM skills (Science, Technology,
Engineering and Maths) while having
fun and learning new skills together
as a family.

This session is for Key
Stage 1 families.
Please return the reply slip
or contact the school office
to book your place

Tuesday 10th April

9:15-11:15am

**Delph Side Primary
School**

 **Family Learning**

**We look forward to
meeting you!**
