Breakfast Club @ Parkham. The governors are keen to get this provision up and running and have committed to running it for a year, but at the moment we are struggling to recruit someone to run it. After discussions at Parents Forum on Monday, we would like to encourage anyone who might be interested in helping with this provision even on a part time basis and even if you are not fully qualified to do so. We will supply on-going training as necessary to ensure the children who attend are well cared for. We are particularly interested to hear from you if you can work a couple of mornings and we can therefore build up a team of people who can run this provision. Please email me if you are interested in any way to discuss your availability further.

Severe weather arrangements: If it becomes necessary to shut either or both schools due to severe weather, notices will be posted on the website/school app and Radio Devon will be notified. Schools are only ever closed after consultation with Chair of Governors either because the school site is unsafe or not enough staff can get to the school. If only one school is closed then all children are welcome to attend the other school. However parents must decide whether conditions are safe enough for them to travel to school.
