Dear Parent/Carer

Re: Class based food tasting

Our curriculum includes cookery lessons where your child will be offered the chance to prepare and taste a variety of food recipes. There will also occasionally be opportunities to taste unusual foods related to other cultures e.g. frogs legs, snails, bush tucker etc. Please would you let us know if your child has any special dietary requirements which could prevent him/her from touching or tasting certain foods? I would be grateful if you could complete the form below and return it to school for our records. Thank you for your cooperation in this.

Yours sincerely

Linda James
