Single Equalities Policy

Introduction

We are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender, disability, sexuality, religion or socio- economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and are able to participate fully in school life.

The achievement of pupils will be monitored by race, gender and disability and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

Statement/Principles

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

As a school it is our intention to provide education for all pupils, which acknowledges that the society within which we live is enriched by diversity. We will strive to ensure that the culture and ethos of the school reflects the diversity of ALL members of the school community, where everyone is equally valued and where we all treat one another with respect and fairness. Pupils are provided with the opportunity to experience, understand and celebrate diversity.

As a school we will not tolerate harassment of any kind. We expect all involved at the school to be committed to eliminating all forms of discrimination, on the grounds of race, sex, disability, age, religion and belief, sexual orientation, gender reassignment, pregnancy or maternity.

Responsibilities

The Governing Body and Senior Leadership Team have responsibility for monitoring and evaluating all aspects of school life. Regular consultation with pupils, parents and staff will form part of the information gathering process. Specific policies on curriculum, uniform, bullying, admissions, discipline, and sport will be regularly updated in response to this information gathering and objectives for promoting equality will be integral to the school development plan. We will monitor progress made towards meeting objectives to:

- take adequate steps to prevent discrimination
- take decisive action when discrimination occurs
- take steps to promote equality, diversity and cohesion

Staff will challenge harassment, name-calling, bullying, threatening or hurtful behaviour (physical and psychological) that violates a group or individual and leads to marginalisation, exclusion, and feelings of powerlessness and worthlessness because of: colour, culture, creed, ethnicity, faith, religion, belief, national origin, national status, disability or impairment, perception of sexuality including sexual orientation, gender, marital status, socioeconomic background, age, responsibility for dependants and trade union membership

Promoting Equality: Admissions and exclusions

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors. Exclusions will always be based on the school's Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

Promoting Equality: Curriculum

We aim to provide all our pupils with the opportunity to succeed. To achieve this we will ensure: Curriculum planning reflects a commitment to equality;

- The curriculum prepares pupils for life in a diverse society and uses opportunities to reflect the background and experience of pupils and families in the school;
- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that celebrate and respect diversity and challenge discriminatory behaviour and language wherever it occurs;
- The use of images and materials which positively reflect a range of cultures, identities and lifestyles.

Promoting Equality: Teaching and Learning

Pupils throughout the school have a right to expect a variety of teaching and learning styles designed to develop independent learning and the acquisition of a body of knowledge, skills and attitudes which will prepare them for the next stage of their education. Teachers recognise the importance of a range of learning activities and good classroom organisation in promoting achievement by all pupils.

Promoting Equality: Achievement

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- It is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in achievement;
- A range of teaching methods is used throughout the school to ensure that effective learning takes place at all stages for all pupils.
- All pupils are actively encouraged to engage fully pupils in their own learning.

The school holds data on standards and progress achieved by all students and analyses this on a termly basis to monitor the performance of those with particular characteristics, where these are known. The relevant characteristics include: gender; ethnicity; first language; special educational need and eligibility for free school meals. External data, for example that made available by DfE, the local authority and Ofsted, also shows attainment and progress measures categorised by different characteristics. Both internal and external data sources are under constant scrutiny, and monitoring to reveal any significant differences in the achievement of different groups of pupils to date. The outcomes of the monitoring will form part of the self-evaluation process that takes place throughout the year.

Promoting Equality: Bullying

Senior leaders have responsibility for monitoring harassment including racial, sexual and homophobic and for providing support to staff or pupils who may be involved in such abuse. Pupils, parents and staff are actively encouraged to report incidents which should then be dealt with sympathetically, promptly and effectively. We take seriously all issues of bullying and hurtful behaviour; we invite all pupils and staff to talk to us about bullying; where it happens; who is doing it and what it involves. (See Anti-bullying policy

Promoting Equality: The ethos and culture of the school

We recognise that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community;

- We strive to achieve a feeling of openness and tolerance which welcomes everyone to the school;
- The pupils are encouraged to greet visitors to the school with friendliness and respect;
- The displays around the school reflect diversity across all aspects of equality and are frequently monitored;
- Reasonable adjustments will be made to ensure access for pupils, staff and visitors (including parents) with disabilities (this not only includes physical access, but takes account wider access to school information and activities);
- Provision is made to cater for the cultural, moral and spiritual needs of all children through planning of assemblies, classroom based and off-site activities; the school seeks to promote a positive attitude towards all cultures, religions and lifestyles.
- Pupils' views are actively encouraged and respected. Pupils are given an effective voice for example, through advocacy, the School Council and there are regular opportunities to engage with pupils about their learning and the life of the school;
- Positive role models are used throughout the school to ensure that different groups of pupils feel welcomed and included.

Promoting Equality: Staff Recruitment and Professional Development

- All posts are advertised formally and open to the widest pool of applicants;
- All those involved in recruitment and selection are trained and aware of what they should do to avoid discrimination to ensure equality of opportunity.
- Steps are taken to encourage people from under-represented groups to apply for positions at all levels of the school;
- Access to opportunities for professional development is monitored on equality grounds;
- Equalities policy and practice is covered in all staff inductions;
- All supply staff and contractors are made aware of the equalities policy and practice;
- Employment policy and procedures are reviewed regularly to check conformity with legislation and the impact of policies are kept under regular review.

Health Related Questions for Job Applicants

It is now unlawful for employers to ask health-related questions of applicants before job offer, unless the questions are specifically related to an intrinsic function of the work. We will continue to establish teachers' fitness and ability to teach (as required by the Health Standards (England) Regulations 2003) by asking necessary, targeted and relevant health questions after job offer.

Promoting Equality: Countering and Challenging Harassment and Bullying

The Senior Leadership Team has responsibility for monitoring racial or sexual harassment (including homophobic bullying) and for counselling and supporting staff or pupils who may be involved in such abuse. Pupils, parents and staff are actively encouraged to report incidents and investigating staff are expected to deal with such incidents sympathetically, promptly and effectively. We also recognise that all pupils may experience harassment and bullying and in tackling these issues in school, we use the same definition that such an incident is perceived to be harassment or bullying by the victim or another person, until proven otherwise. We will strive to be a 'listening school'. We listen to all our school community members including pupils, parents, staff, visitors, school users and partners. We take seriously all experiences of bullying and hurtful behaviour resulting from bullying such as racism. We invite all our pupils in particular to talk to us about bullying, where it happens, who is doing it, and what it involves.

Promoting Equality: Partnerships with Parents/Carers and the Wider Community

We work in partnership with parents/carers. We:

- Take action to ensure all parents/carers are encouraged to participate in the life of the school;

- Maintain good channels of communication, e.g. through parent forums, to ensure parents' views are captured to inform practice;
- Encourage members of the local community to join in school activities and celebrations;
- Ensure that the parents/carers of newly arrived pupils are made to feel welcome.
