Birmingham Museum

On Thursday, pupils from years 4, 5 and 6 travelled to Birmingham Museum and Art Gallery for a visit to enrich their learning about the Ancient Greeks this term.

We all had the opportunity to handle real Greek artefacts and take photographs using the actual camera that the museum use for their picture library. We also explored the Greek and Roman galleries as well as other areas of the museum and gallery, including the 'Round Room', which has an amazing glass domed ceiling.

As always, members of the public and museum staff commented on how well behaved and considerate our pupils were, and the day provided a lovely end to our Ancient Greek topic. Well done to all of you for your good behaviour and your interest and enthusiasm during the activities.

Archery

On Tuesday afternoon six children from years 4 and 5 took part in an arrows archery competition against 5 other schools. They all had a wonderful time and demonstrated some super archery skills. Overall, they came third, and enjoyed the experience so much they have written a letter to Mrs Pye asking if we can have our own set of arrows equipment! Well done Erin, Hazel, Kaelyn, Lochie, Frank and Reece, and thanks as always to Mrs Horn (and Mrs Highton) for yet again giving up an evening to allow our pupils the opportunity to experience something new.
