19th March 2018

Dear Parent/Carer,

It's 'Family Movie Night' again! The staff have generously volunteered their time to fulfil the children's request for a fun night at the school. **On Wednesday 28th March**, we are hoping to have a **Family Movie Night** when as a family you decide which film you would like to watch with your child in school.

On this day, at the end of school, you will collect your child and take them to the class where a film of your family choice is being shown. We expect you or an adult over 18 to sit with your child and watch the film to the end. The movies will run from **3:45- 5:30pm**.

We hope that this will create an opportunity for a family discussion and togetherness before and after the movie - something to talk about as a family.

We are not charging for you to watch the film but, there will be sale of popcorn, crisps and drinks during this event and all money raised this year will go to the Ronald McDonald Charity in support of the celebration of Leo Covington's life.

At the end of the movie, we encourage parents and children to help to clean up the classroom and leave everything tidy as they have met it.

Please tick the film of your family choice and return to your child's teacher with your **child's name and class written clearly** as soon as possible. Popular films will be allocated on first come, first serve basis as we cannot take more than 30 people in each class.

Best regards

Stella Porter
Head of School

Please mark 1st or 2nd choice next to the family movie of your choice. You must choose one film for all the family under 10 and return the slip to school by Friday 23rd March in order to secure a place for your family. On Monday 26th, your child will bring the form back telling you which class your chosen film will be shown in. We will also paste the list all over the school. You may want to find out a bit about the film from the internet before you decide. Older children in Y5 & 6 might prefer the 12. If so, the Y6 teachers in charge of the film should be spoken to if you are not with that child but with your younger children. All children must remain seated watching their chosen film all through; no roaming the school. Only Years 5 and 6 children may watch a film in a different room to their parent/carer. All children MUST arrive and leave with an adult.

Your Child's Name:

Class:

Names of other children in the family watching the same film with them:

List of Movies

No	Movies Title	Age	Tick 1 or 2
