JUST A REMINDER

Please ensure that snack and milk forms are filled in at home and brought with the money in an envelope. When parents are filling lots of forms in at reception it causes a lot of congestion, and it can be a struggle to see small children who need signing in safely. Dinner money, and snack and milk money should be sent in a named envelope or bag and handed in to the class teacher by the children.

We would also be very grateful if you could send the correct change to the office when paying. If parents send the correct change it eliminates errors that could occur when extra money or notes are brought in for small amounts. We also don't hold large amounts of money in the school office so are unable to change notes whilst parents wait.
