

Intake Primary School

Friday 23rd March Newsletter 2018

Dear Parents,

We've had a wonderful week of Sport Relief, thank you for allowing so many children to attend the 'Move-it' mornings. The assembly today was 'Beat the Teacher challenge' and I think the teachers were just as competitive as the children. Take a look at the website for pictures.

Next Tuesday (27th March 4.00pm-7.00pm) is an opportunity for parents to discuss their child's progress so far this year and to celebrate successes and achievements. Please try to make an appointment with your child's class teacher. If the date is difficult to attend, please speak to the teacher about re-arranging for a suitable time.

In KS1 (Infants), your child does not need to attend but if you are struggling with childcare, they can come into school. Please remember you are responsible for your child during this time. In KS2 (juniors), children are welcome and encouraged to join parents for the meeting.

Important safeguarding information

Once school has finished and the children have left the building, the main gates will be closed (they will not be locked).

If you are picking up children from the after school clubs please remember to close the gates.

Important information

Please update the school office if your contact information changes and keep your mobile number up-to-date on our Parentmail system. It is essential we have your contact details for use in an emergency. This week it has been highlighted how very important this is, when the school had to close due to the adverse weather conditions that we experienced. Some parents did not receive the messages because they hadn't kept their details up to date on Parentmail

School do not accept any liability for parents not updating their contact details.

PARKING WHILST DROPPING OFF AND PICKING UP CHILDREN FROM SCHOOL

We have had another complaint from a resident of Sharrard Grove. A parent blocked the road off whilst dropping their child at school. The resident who was trying to pull out of their road challenged them, and in return was verbally abused.

The resident has been informed that they should contact the police regarding this incident, and that if this happens again, they should note down the registration number of the car so that it can be given to the police.

We ask that parents treat our school neighbours with respect and park considerately.

SEN with Miss Hewitt

During Parent's Evening next week (Tuesday 27th March 4.00-7.00pm) Miss Hewitt will be available should anyone wish to discuss concerns regarding special educational needs. She will be in her office (situated down the corridor of the new extension) and will hold an open door policy for you to come to see me at any time during the evening.

If you are unable to make Parent's Evening but would like to discuss anything then please do not hesitate Miss Hewitt.

Intake School Book Fair

A very big "thank you" to all of you who supported our recent book fair! You'll be pleased to know that in total **£1000** was spent on books from the fair. Because of this we have been able to choose free books for school to the value of **£600**, which will be used to buy books and resources for every class.

The books you purchased for home will make a vital contribution to developing your child's progress and love of reading.

Thank you for your continued support.
