School Policy

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times.

This Acceptable Use Agreement is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and will have good access to digital technologies to enhance their learning and will, in return, expect the *students / pupils* to agree to be responsible users.

KS2 Pupil Online Acceptable Use Agreement

This agreement will help keep me safe and help me to be fair to others

- ***I am an online digital learner*** – I use the school's internet and devices for schoolwork, homework and other activities to learn and have fun. I only use sites, games and apps that my trusted adults say I can.
- ***I am a secure online learner*** – I keep my passwords to myself and reset them if anyone finds them out.
- ***I am careful online*** – I think before I click on links and only download when I know it is safe or has been agreed by trusted adults. I understand that some people might not be who they say they are, so I should be very careful when someone wants to be my friend.
- ***I am private online*** – I only give out private information if a trusted adult says it's okay. This might be my home address, phone number or other personal information that could be used to identify me or my family and friends.
- ***I keep my body to myself online*** – I never change what I wear in front of a camera and remember that my body is mine and mine only, and I don't send any photos without checking with a trusted adult.
- ***I say no online if I need to*** – if I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult.

- ***I am responsible online*** – I keep others safe by talking to my trusted adults if a friend or person I know is being bullied or harassed or is worried or upset by things they read, watch or hear.
