

Primary PE and Sport Premium Report for 2017/18

The Primary PE and Sport Premium was launched by the government in April 2013 and is available for three years until July 2020. It is ring-fenced funding to be used by the school to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (below) that will live on well beyond the Primary PE and Sport Premium funding.

The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

In academic year 2017/18, we will/have received £17,760. To support our wider vision and plans for PE and sport, we have/plan to spend the Premium in the following ways.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
1. The engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles, including any additional provision for swimming funded by the premium. Percentage of total allocation: 22%				
To employ a lunchtime sports coach to work one lunchtime a week, to encourage children to be more active at lunchtime. To work alongside the Sport’s Crew to oversee Level 1 competitions in school.	£1,000	All children but especially children who are inactive or who would benefit from developing social skills.	Children would be more active and have the opportunity to engage in a variety of team games. Improve level of fitness and overall confidence. To encourage self-worth and give children more confidence to take part in after school clubs. Encourage children to lead games through more involvement with level 1 competitions. Currently 100% of children in Yr 3-6 have taken part in a level 1 competition. To increase confidence in PE lessons.	Sport Coach to enable children to develop and encourage them to organise their own games, to give them ideas of different activities. Sport Crew is well established this and a coach enables them to lead effectively. This increases a positive approach to lunchtimes. For Sport Coach to work alongside staff on lunchtime duty to give them resources to keep children active at lunchtime.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
To pay for a staff member to run Healthy Lifestyles Cookery Club after school for Year 6 children. Children to learn about how we keep healthy including exercise and diet. This will be run as an after-school club initially supported by Sports Funding.	£252	Year 6 children.	Children to have an understanding about Healthy Lifestyles. Encourage children to cook and taste healthy foods. To have a greater understanding of how we lead healthy lifestyles.	Children will have a good understanding of what a healthy lifestyles is. Leaders will be able to work on a lunchtime with younger members of the school and share the knowledge they have gained through the club.
Change4life lunchtime club. To pay for a Change4life coach to come into school.	£840	Pupils who are less active at home/school	Children develop an enjoyment of being more active by being introduced to a variety of different activities. Children have a good understanding of healthy eating. PE Leaders then to lead sessions for younger children. Confidence improves in PE lessons.	Children will find an activity that they enjoy and will understand the importance of being healthy. More children will join after-school clubs. Children will develop in confidence in all areas of school life and develop a positive mental attitude.
To employ a coach to develop the fundamental skills e.g. balance.	£840	Pupils who are struggling with fine/gross motor skills in EYFS.	Development of fundamental skills in EYFS will ensure that when these children reach Year 1 they will be better equipped for PE lessons. They will have more confidence both in PE lessons and the classroom.	Development of these skills will ensure children have better life skills. Their confidence will grow and they will be more aware of what their body can do. This should also improve their handwriting and other classroom skills.
Resources for Active 30:30	£350	Whole school	To ensure that all children are active for 30 minutes during school time.	Staff to build up different ideas and resources they can use to provide active lessons as well as brain breaks for all children. This will be embedded into the school day.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
To pay for Bikeability training.	£75	Year 5 pupils.	For all pupils to achieve Level 1 and prepare them for Level 2. For children to be safe when riding their bikes in the local area. To increase their confidence. To encourage children to cycle to school. For them to participate in another active activity during school time.	Pupils to use these skills to go on to complete Level 2. 85% of children currently have a level 2 certificate.
Training and organising of playground leaders.	£500 (playground equipment)	Foundation and Key Stage 1 children.	To encourage children to play fairly and be involved in team games. To be more active at playtimes. To enable more Key Stage 2 children to have the opportunity to lead.	Active lunchtimes will be firmly embedded with children having more opportunities to take part in different activities. Younger children will have good role models and older children can train other children to become leaders.
Purchase pedometers.	£50	All pupils especially if inactive.	Children can have personal and team challenges to see how many steps they can do in a given time. This will encourage healthy lifestyles. Children can track how many steps Key Stage 2 take in the lunchtime St Paul's stride and try and beat it.	Children will become better educated in how active they are during the day. It gives the opportunity for all children to be involved in an active challenge. This can be developed in PE lessons and cross country training.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
2. The profile of PE and sport being raised across the school as a tool for whole school improvement. Percentage of total allocation: 18.3%				
Leadership time for teacher responsibly for PE. Time to be used for organising sporting events, attending sporting events, CPD, developing PE curriculum, observing lessons, applying for quality mark.	£2000	Whole school	Ensure that PE taught is of a high standard and gives all children opportunities to succeed. The profile of PE is raised amongst children, staff and parents through notice boards, blogging, school website and newsletters. To ensure the scheme of work includes all skills and is progressive. To ensure school takes part in a variety of sporting events Level 1 and 2.	Develop support for all staff to increase confidence. To ensure all staff have opportunities for CPD. This will increase staff's confidence in deliverance of PE lessons. We will maintain a high level of good teaching in PE. Children will gain confidence and skills in PE lessons and competitive sport.
To become an 'Active School'. To raise the profile of PE and sport by the whole school becoming more active.	£1000	Whole school	Staff to be good role models for the children so children develop an understanding of the importance of being active. Staff wellbeing and confidence to improve through team building activities, opportunities to take part in different sporting/relaxation activities.	The whole school to engage and enjoy activities. Develop a sense of wellbeing for the whole school. Children to want to become active as they have seen staff enjoying and taking part.
Upgrade Youth Sport Trust to gold membership.	£150	Whole school	This will enable us to apply for the quality mark. Children, parents and community will see how PE is important in our school and gives us a good tool to assess ourselves.	Further our commitment to deliver a high standard PE curriculum.
Sports Crew to raise profile of sport.	No cost.	Whole school	Organise Level 1 competitions. Write match reports and blog regularly on school website, update noticeboards, give presentations in assemblies. Children will develop in confidence and leadership skills.	Children will become good role models, encouraging other children to want to lead and become involved in raising the profile of PE and sport.
Whiteboard	£100	Whole School	Sport Leaders to have more space to update sports fixtures/results more effectively. Staff to use whiteboard to further enhance their PE lessons.	Permanent whiteboard will develop PE lessons ensuring children understand what is required of them.
Team badges	£150	Key Stage 2.	Children will feel part of a team. They will understand the values associated with being a team player. By emphasising the school games values, this will have a positive impact on behaviour in school.	Children will develop as team players which will impact on sports participation as well as school life.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport. Percentage of total allocation: 11.2%				
Further continue to upskill staff by increases their knowledge and confidence. To increase Teaching Assistants confidence in PE lessons.	£1000 No cost	Whole school	Staff to undertake CPD to further enhance their development of teaching. Currently this year a member of staff has taken part in dance training, gymnastics, mindfulness training and active literacy/numeracy. Subject leader been to various training and meetings. Teaching Assistants to have opportunity to observe PE lessons.	Better subject knowledge for staff. Increased confidence. Lead to sustainability as staff will feel more confident to deliver PE and sport. To increase all staff's confidence to deliver good PE lessons.
Support by specialist teachers/coaches as needed by staff.	£500	Whole school.	Ensure all children are taught high quality PE lessons. If staff identify an area which they are lacking confidence specialist teachers can be brought into school for the staff to work alongside.	Staff will become more specialised in all areas of PE and will be more confident, this can then be shared with all members of staff.
To release members of staff from the classroom.	£500	Whole school	Staff to be given additional time to plan, prepare and assess PE. To pull resources together to ensure that they are making time for the active 30 minutes a day.	Staff will further develop their planning and assessment this will increase their knowledge and confidence. This will enable all staff to have a bank of valuable resources.
4. Broader experience of a range of sports and activities offered to all pupils. Percentage of total allocation: 29.3%				
Take groups of children to Go Climb at Forum Leisure Centre.	£250	Key Stage 2	To give children opportunity to participate in adventurous activity. To build links between local leisure centre and school to encourage children to try different activities.	Through links with staff at leisure centre hope to maintain relationships, which would encourage children to visit the centre and keep active outside of school.
To develop the playground for a more active school.	£2204	Whole school	To further enhance the school playground by raising funds to build a MUGA. This would create more space for the children to be active. It would also enable the children to participate in different activities as there would be more space.	Work with staff, parents, children and community to build a resource that would benefit our present and future generations of children.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
