

## Shears Green Infant School

### Review -Pupil Premium Spending: Academic Year 2017-2018

**Context:** Schools receive a payment, or Pupil Premium, for disadvantaged children who are eligible for Free School Meals or have been eligible for Free School Meals within the last six years (FSM Ever 6). This payment has risen from £900 per pupil in 2013-2014, currently it stands at £1320 per pupil. Children who are looked after, or children from service personnel, are also allocated additional funding as part of Pupil Premium, but at present we do not have any children who meet this criteria. In addition Pupil Premium (Plus) funding is available to any child who has been in the care of the Local Authority or adopted from care. An annual payment of £1,900 per pupil is paid to the school for any eligible children who attend.

**In 2017-2018, £60,560** in total has been allocated to Shears Green Infant School for our disadvantaged pupils. This is based on 31 children of our pupils considered to be eligible for FSM & Ever 6 or Pupil Premium Plus. The current Pupil Premium spending is based on the 39 children we currently have who are eligible for or have been eligible for FSM & PPP.

The next pupil premium review will be held in September 2018.

DfE Guidance states: ***Schools, head teachers and teachers will decide how to use the Pupil Premium allocation, as they are best placed to assess what additional provision should be made for individual pupils.***

Activities	Cost (£)	Nature of Impact	No. of Pupils
1:1 Reading Activities	£7800	Children that start low at the beginning of the year make accelerated progress to bring them to the level at which they should be working.	39
