External Barriers		
B	Some children who are eligible for PP, have emotional needs, which impact on their learning on a daily basis.	
Desired Outcomes	Success Criteria	
A: Children who are eligible for PP who have additional SEN, will make progress in line with other groups and compared to similar pupils nationally	Early intervention groups and speech and language groups will be put in place. Pupils eligible for PP will make rapid progress to ensure that there is no gap in reading, writing, maths and phonics.	
	Academic interventions will be in place throughout the school, to support in diminishing the difference in core areas, so that SEN pupils eligible for PP make the same progress as other groups
