

Jade Lakeland

My name is Jade Lakeland, and I have lived in Bishops Waltham my whole life, as have several generations of my family, and I attended Bishop's Waltham Junior School myself as a child. I joined the governing body in December 2015 as a co-opted governor and I am vice-chair of the resources committee and the development & training governor.

I have worked at Hampshire County Council for 10 years with a finance background, and currently work as an auditor within the Southern Internal Audit Partnership. I decided to join the governing body to help and support the school to reach its full potential, and to help ensure that all of the children become well-rounded individuals with happy memories of Bishop's Waltham Junior School.
