Year 2 Spring Newsletter

By Oaks and Willows

During the last week of the half term, the children enjoyed a fun-filled week of Easter activities. The children enjoyed a fun day of activities doing lots of art and crafts, egg hunts, Easter bonnet parades and also some Easter baking.

Reminders:

- PE kits need to be kept in school all of the time as P.E sessions are flexible during the half term.
- Home reader diaries- thank you for filling them out when you read with your children. We encourage this to continue to improve home/ school communication and also to help your child to achieve the home reader awards. Some children this half term got to enjoy a tea party for reading a fantastic 100 books!
- Spelling books- thank you for helping your child to practise their spellings at home. The children love to feel confident in their new spelling capabilities and this will put them in good stead for the upcoming SPaG test.

We would like to thank you for all your support this term. We have had some fantastic homework projects and many of you have shown your support with our new Star of the Week awards on Fridays in class.

Wishing you all a very Happy Easter!

SATs Preparations

As you will be aware the Key Stage 1 tests will be taking place week commencing 14th May. Therefore we kindly ask that you continue to practise key skills such as reading and discussing books and number work such as times tables and number bonds. Please praise your child for their efforts and remember that attendance in the upcoming weeks is key.
