

Swimming Data for Year 6 Pupils

The National Curriculum requirements for swimming and water safety by the end of Year 6 state that pupils will be able to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations.

In our Year 6 cohort we have 43 pupils who can access swimming. In this group 79% of the pupils can swim at least 25 metres with a range of strokes.
