

## **PTFA NEWS**

**The PTFA are very excited to be participating in this year's Northowram Burner, which will take place on Sunday 10th June 2018 at Northowram Primary School. The Burner consists of a family-friendly 2.5km run (you can run, walk, or push a buggy – any age group or ability), a 10km multi-terrain run which is for over 16s only, and a fantastic summer fayre with food, drink, stalls, fun and games for all the family to enjoy! All profits from proceeds raised will go towards all participating schools' PTFAs. You can help us to fundraise by:**

- entering the Burner, either individually or as a family (entry for a family of four is £20). Remember to state on your entry form that you're affiliated with Warley Town School – this means we get a higher proportion of the profits raised.**
- asking friends and family to sponsor you to take part (all sponsorship monies will go straight to Warley Town School PTFA funds).**
- helping out on the day at the Warley Town School stall.**
- volunteering to be a marshal on the day (each school has to provide three marshals).**
- spreading the word about this fantastic event, and encouraging friends and family to take part or just come along on the day.**

**For full details, please see the Burner website:**

**<http://www.runtheburner.co.uk/>. If you have any questions or would like to help out, please either speak to Mrs Batley or contact Joanne King or Jennifer Bennett.**
