SCHOOL MEALS - Key stage 1

Dear Parent/Carer

From 1st April 2018 the new online payment and ordering system for school meals will be in place and from this date we require Parents/Carers to order school lunches via the new system on www.eduspot.co.uk

Details of how to sign in to the new online system will follow shortly by email/text and also information from Eduspot will be sent via the children's book bags.

A typical menu is attached and the week commencing 16th April will be the 'week 1 menu'.

All infant children (key stage 1) are entitled to a free school meal and, although no payment will be due, we do require you to order the school meal online so the catering company can provide a meal for your child.

Please note that orders must be completed by midnight on the day before a meal is required, online orders cannot be made on the same day.

Should you have any queries concerning the new system please email the school on admin@rettendon.essex.sch.uk
