

CASTLETOWN PRIMARY SCHOOL

Sports Funding Grant (2017-18)

£16,275

This academic year our Sports Funding Grant will be used as follows:

Activity	Cost
Coach to work across the whole school (Y1-6) teaching a 6 week module of dance. All teachers to participate in classes as a CPD opportunity.	£2625
Swimming provision for children from Y2-Y6. Half term block for each year group with additional sessions purchased for 'non-swimmers' at the end of the year.	£2380
Transport costs for pupils attending sporting competitions in the area for football, rugby, tennis, skipping, swimming and netball over the course of the year	£1500
Additional sporting activities offered as after school clubs by 'Kids Active.'	£2,200

We are planning a large cash investment in the summer of 2018 to improve and enhance the outdoor environment. Plans as yet are not finalised but we are hoping to provide a trim trail within the KS1 yard and a Ninja activity trail in KS2. This will be a large investment and so we are carrying over £8,500 of this year's funding to support the project.
