- 07.05.18**
 - School closed for May Day Bank Holiday
- 11.05.18**
 - Ascension Day Service at All Saints' Church (children only)

PE KITS

PE is a vital part of the curriculum and it is mandatory that each and every child in school regularly takes part in this lesson.

In order for the pupils to take PE they must have a PE kit in school.

We are still finding lots of children coming into school without their kit.

Please can you send your child into school with shorts, trainers, t-shirt, joggers, hoodies etc.

We shall be contacting parents who fail to provide this kit.

Dates for your diary Junior School

- 23.04.18**
 - St George's Day Celebration (Children to wear red & white or an English sporting top)
- 27.04.18**
 - Stay and read for classes 3C, 3PH & 3TB
- 07.05.18**
 - School closed for May Day Bank Holiday
- 11.05.18**
 - Ascension Day Service at All Saints' Church (children only)

Well what an amazing day we had! The children did themselves proud across the federation, there were several 'sporty activities' going on throughout the day and both the Infants and the Juniors raised a lot of money.

The infants held a competition to guess how many miles we would travel as a federation and we are pleased to announce that Maddison from class 11 was the closest to guessing the correct amount, Iris from class 5 came second. (Both of the girls have received a prize today)

We travelled a brilliant 681 miles!

The total amount we raised was a staggering....

£1585

Can we please remind you not to park on school grounds when dropping off or collecting your children. We have several parents who are permitted due to either themselves or their child being disabled. These parents are struggling to park as the spaces are taken up. We can no longer allow this to happen. We do not want to lock the carpark but if this carries on, unfortunately we will have no choice.

Medication

Before the Easter holidays we had a parent hand in some tablets which they had found on the school playground. We understand that these were dropped unintentionally but if a child had picked these up we could have had a serious incident on our hands.

If you do keep any medication on your person or in a bag can you please be mindful when on the school site.

We thank you for your continued support

This week we have sent home some interesting leaflets for you to keep. **Children and Young People Staying Safe Online and Information and Online Resources.** There is some really useful information and some great tips for staying safe online.

Please take the time to read them.
