

Writing	Handle data in practical contexts.	Physical Education
Narrative	Science	Participate in team games, developing simple tactics for attacking and defending.
Write narrative diaries.	Physics	
Non-fiction	Forces	
Write lists.	Describe basic movements.	
Write glossaries.	Earth and space	
Present information.	Observe seasonal changes.	
Write non-chronological reports.	Working Scientifically	
Reading	Across all year groups scientific knowledge and skills should be learned by working scientifically. (This is documented in the Essentials for progress section.)	
Listen to a range of texts.	Art & Design	
Become familiar with a wide range of texts of different lengths.	Use experiences and ideas as the inspiration for artwork.	
Use the class and school libraries.	Share ideas using drawing, painting and sculpture.	
Communication	Explore a variety of techniques.	
Engage in meaningful discussions in all areas of the curriculum.	Computing	
Listen to and learn a wide range of subject specific vocabulary.	Communicate safely and respectfully online, keeping personal information private and recognise common uses of information technology beyond school.	
Through reading identify vocabulary that enriches and enlivens stories.	Design & Technology	
Speak to small and larger audiences at frequent intervals.	Design	
Practise and rehearse sentences and stories, gaining feedback on the overall effect and the use of standard English.	Generate develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.	
Debate issues and formulate well-constructed points.	Geography	
Mathematics	Compare and contrast a small area of the United Kingdom with that of a non-European country.	
Count and calculate in a range of practical contexts.	Explore weather and climate in the United Kingdom and around the world.	
Use and apply mathematics in everyday activities and across the curriculum.	Use world maps, atlases and globes.	
Repeat key concepts in many different practical ways to secure retention.	History	
Explore numbers and place value up to at least 100.	Key events in the past that are significant nationally and globally, particularly those that coincide with festivals or other events that are commemorated throughout the year.	
Add and subtract using mental and formal written methods in practical contexts.	Music	
Multiply and divide using mental and formal written methods in practical contexts.	Use their voices expressively by singing songs and speaking chants and rhymes.	
Explore the properties of shapes.	Listen with concentration and understanding to a range of high-quality live and recorded music.	
Use language to describe position, direction and movement.		
Use and apply in practical contexts a range of measures, including time.
