

Homework activities

MATHEMATICS

Practice your times tables, multiplying and dividing with 2s, 5s and 10s. Can you create your own chant to remember them?

123456
78910

GEOGRAPHY

How many countries in Africa can you find that start with a different letter of the alphabet? Can you create a poster to show your results?

ART

African fabrics are often patterned with bright colours and repeated shapes. Can you use 2D shapes and bright colours to make your own? pattern?

Mathematics and English activities must be completed. Please also complete at least any 2 of the other activities.

LEARNING CHALLENGE CURRICULUM

Africa and stories from other cultures

ENGLISH

Write a letter to a child in Africa explaining what our lives and school are like. Ask them questions to find out if their life is the same or different.

MUSIC

Find a song with links to Africa, (can contain the word Africa or be about the continent). Can you learn it and perform it for someone? Take a photo of your performance.

SCIENCE

Create a fact file about an animal that you would find in Africa. Try to explain why we don't find them in our country.

Year Group 2

Summer 1

Never less than our best
