Why not try cooking a wartime recipe... **Spam Hash**

Wash the potatoes, cut into quarters and boil until firm.

Remove the potatoes from the water and let them cool.

Chop up the onion and spam into chunks.

Add the butter/margarine to a frying pan. Fry the onions till soft.

Chop the potatoes into smaller chunks and add them with the spam to the frying pan.

Turn down the heat; put a lid on the frying pan and cook for a further 5-10 minutes. If the texture is too sticky, add a little bit of water and stir.

Once cooked, serve and enjoy!

**Serving Suggestion** - Enjoy with some seasonal vegetables from your garden veg patch.
