

5

My learning behaviours will

Show that:

- I am immersed in learning
- I am highly motivated
- I am in FLOW most of the time
- I am showing enjoyment of the learning struggle
- I am leading my own learning
- I am making huge steps in my learning
- I have positive learning relationships
- I feel confident to take risks

4

My learning behaviours will

Show that:

- I am highly engaged in my learning
- I am enjoying learning new ideas and concepts
- I am active in learning
- I am in FLOW often
- I lead discussions and show initiative
- I am intrinsically motivated
- I have positive learning relations
- I am happy with the risks I am taking

3

My learning behaviours will

Show that:

- I am engaged by what I am 'doing'
- I have limited motivations
- I am doing the 'right things' with my behaviour
- I feel challenged at some points but I am not absorbed
- I have some good positive learning relationships but they aren't consistent
- I am taking some risks with my thinking and learning

2

My learning behaviours will

Show that:

- I am motivated by rewards rather than my own 'want' to learn
- I am building positive learning relationships
- I am not reaching my potential
- I am distracted by the classroom e.g. daydreaming, staring
- My concentration is short lived

1

My learning behaviours will

Show that:

- I have lost my motivation
- I may be disrupting other children
- I am distracted by the classroom e.g. daydreaming, staring
- I am off task – little or no activity
- I may be finding learning relationship challenging
- I am not taking steps in my learning
- I may be finding my learning too hard or too difficult
- I have little/no energy
